

# TRINITY BAPTIST CHURCH

**The Little Church with a BIG Heart!**

**"Month of Love"**

## **Excited to Serve**

I am thankful for the opportunity to serve as Interim Pastor at Trinity for the last six weeks. I never take for granted any opportunity to preach God's Word. I am enjoying getting to know each of your names and look forward to getting to know each of you personally. Trinity seems to be a loving church and the people that I have met seem very nice. We will unify around the call that God has placed on our lives and watch the great work the Lord will do in and through us.

The two main principles that I will continue to focus on are the Great Commandment and the Great Commission. The Great Commandment tells us to love the Lord with everything that we are, and love our neighbor as ourself. We need to grow in our personal relationship with the Lord by loving Him with all our heart, soul, mind, and strength. Luke takes it further by describing our neighbor through the story of the Good Samaritan, which any good Jew would think was impossible, because Jews did not associate with Samaritans. We need to extend love to those who need to know Jesus, which is everyone.

We fulfill the Great Commission by making disciples, whom ultimately make disciples. There is more to the Great Commission than just sharing the Gospel and preaching the Gospel. We need to follow through and grow those whom God gives us into reproductive children of God. This has to be the heartbeat of what we do. The Lord is ready to use you, are you prepared to make a difference for His Kingdom.

**In His Service for His Glory,**

**\* CHAIRMAN**

Acts 28:5 - And he shook off the beast into the fire, and felt no harm.

One day a farmer's donkey fell into an abandoned well. Terrified, the animal cried for hours as the farmer tried to figure out what to do.

Finally, he decided the animal was old and impossible to retrieve.

He realized the well needed to be filled to prevent future losses.

So he invited all his neighbors to help him.

They all grabbed shovels and began to throw dirt into the well.

At first, when the donkey realized he was being buried alive, he cried horribly. Then, to everyone's shock, the donkey quieted down.

A few shovel loads later, the farmer looked down the well and was astonished at what he saw.

With each shovel of dirt that hit the donkey's back, the donkey would shake it off and take a step up.

As the farmer and his neighbors continued to throw dirt on top of the animal, he would shake it off and take another step up.

Soon everyone was amazed as the donkey stepped up over the edge of the well and happily trotted off!

Life is going to throw dirt your way and attempt to bury you. However, no one ever gets out of life's wells by giving up! Shake the dirt off and take a step up!
